Beauty & the BEAST

MAY 4-5. 2024

Arts Ballet Academy and Youth Company brings *Beauty & the Beast* to the stage in a visual, musical, and magical production of this “tale as old as time.” This original ballet is designed and created by our director and faculty and weaves together elements from both the 18th century French fairytale and Disney’s beloved animated classic.

When you support Arts Ballet Youth Company, you are:

- Supporting 92 Beauty & the Beast Dancers ages 3 - 18 plus adult students, tech crew, volunteers, and instructors.
- Enriching the Peninsula community through the instruction and original performances of ballet and the performing arts.
- Inspiring and encouraging students of all ages and abilities to attain their highest potential in the art of classical and contemporary ballet.
- Providing children special experiences, training, and education that benefit their character, physical & mental health, academic success, and future.
