Our Storybook & Dance with Me Ballet Curriculum offers safe, age appropriate dance and creative movement training for toddlers and preschoolers.

Pre-Ballet Classes

Dance with Me, ages 18mo-3 with caregiver:

Our Pre-Ballet A & B Curriculum offer safe, effective dance and creative movement training at developmentally appropriate levels. We focus on gross motor skills, balance, musicality, imagination, coordination, and patterning all while having lots of fun! Monthly themes and objectives are shared with parents. Early dance, music, and movement training is great for the body and brain! Dancers are invited to perform in our December Nutcracker and May Spring Ballet "The Little Mermaid." They also have an end-of-year class demonstration and gathering in May.

Dance with Me for toddlers is a creative movement and music class that requires a caregiver to attend and dance with each child (ren). These children do not perform in our shows, but will have in-class showcases with props and studio costumes.

Storybook Ballet, Pre-K 3/4s

Pre-Ballet A, ages 5-6/ Kindergarten

Preschool Storybook Ballet begins with a gathering/story-time before class. We use the Leap n' Learn progressive, early childhood dance syllabus. We focus on gross motor skills, musicality, imagination, coordination, and patterning all while having lots of fun! Students may participate in our full-school original ballet performances held each winter (Nutcracker) and spring (The Little Mermaid). They also have an end-of-year class demonstration and gathering in May.
